Theatre

Our Department

EKU Theatre, within the Department of English and Theatre, offers both non-teaching and teaching degree options in Theatre. The more popular non-teaching option combines coursework in all areas of theatre; acting, design, history and literature, directing, technical theatre, and dance; with upper level English courses. This program strengthens traditional theatre studies with additional courses in literature and written communications which will help you in your total University education as well as your life after college. The teaching option is an English teaching major with an emphasis in theatre and includes professional education classes to better prepare you for a career in secondary education.

No audition is required for admission into either Theatre program; you only need to be accepted into the University.

EKU Theatre Productions

Our co-curricular production program is outstanding. Each year the department produces four major productions which includes a musical. The Gifford Theatre is a modern technical theatre facility complete with scenic and costume shops, computer lighting systems, and comfortable dressing rooms. All students are encouraged to participate in the various areas of production. Auditions for all shows are open to anyone. Over the past few years, EKU Theatre has presented such classic scripts as Oedipus the King, Romeo and Juliet, Of Mice and Men, Waiting for Godot and She Stoops to Conquer. Contemporary shows have included Into the Woods, I Hate Hamlet, Doubt, Little Shop of Horrors, Proof and Grease.

Degree Requirements

Listed below are the Theatre degree options and each program’s major requirements. In addition, you must successfully complete EKU’s General Education (48 hours). The non-teaching option includes electives that you will select to compliment your education and earn the required 128 hours for graduation. The teaching option does not have electives but requires supporting classes in Communication Studies (9 hours), English (24 hours) and teacher education courses (34 hours) for a total of 142 hours.
